

WEEKEND RETREAT

Faith and Money: Making the Connection

FRIDAY-SUNDAY, NOVEMBER 10-12, 2017

Wellspring Retreat Center | 11411 Neelsville Church Road | Germantown, MD

Shift Money's Power in Your Life

A Faith and Money Network retreat offers time, space, and shared wisdom for an open discussion about what's really at the core of your relationship with money.

Think of the weekend retreat as powerful, noise-cancelling headphones—a way to silence, if only for a couple of days, the perpetual din of money: advertising, shopping, sports, working, maintaining our stuff, attending social events with money-based expectations embedded in them.

Instead, you and other people like you can invest your time differently—time to learn from other people's money stories and to share your own, to reflect and pray, to be silent, to sing, and to explore how you can cultivate a deep sense of enough and be free to answer God's call in your life.

Dedicated, extended time is a rare commitment in today's culture. Are you ready to make that commitment to yourself? Just two days can shift money's power in your life. Faith and Money Network is preparing this space and time for you. Are you in?

"... the euphoria of that extraordinary weekend remains as full as it was while we were there all together at Wellspring... This has been a transforming experience."
